

Into the Box 2020 Updates

Ortus Solutions has been constantly monitoring the developments of COVID-19. Given health officials' recommendations, we are taking the necessary measures to ensure the safety and wellbeing of partners, attendees, speakers and staff. As such, we have decided to move our conference online.

Into the Box 2020 was set to include intensive, hands-on workshops. However, we will be unable to conduct those online given the nature of the trainings. Yet our sessions are still scheduled as planned. Given the above, the new conference dates will be from May 7th – 8th. As far as logistics go, we will host the sessions through an Ortus Zoom Webinar Account and take care of all the setup.

The price to register will be \$199. The ticket includes two days of non-stop sessions on the most relevant and engaging topics surrounding modern web and mobile technologies, development processes, software craftsmanship, and infrastructure. For those who already purchased tickets, you will receive a full refund. However, if you are still planning to attend the online Conference we can reimburse you for the difference in prices.

We thank you for trusting us and we'll be doing everything in our power to make sure Into the Box 2020 lives up to your expectations. If you have any questions, please do not hesitate to contact us.

Best,

The Ortus Solutions Team
